Dear Keith,

Oh, what a pleasant
surprise! I haven't
seen that picture in a long
time! I was 18 at the time.

Knud bought me this ex-
pensive parka for Christ-
mas and mom made a
flannel.

note that swirled all
around me + when I went
back to nursing school - I
made everybody sit up! One
made me elegant + the other
made me look like Florence
Wingale! Thank you, Jim,
to see it again. Love,
Ardis
