1959, opening of the Greece NY branch

I remember being a child, dressed in white apron and hat, cooking and serving smoked bratwurst samples to giant, red-faced German house-fraus, whom would pinch my cute little cheeks, saying I was too skinny and had to eat more sausages! - Keith

(note the price of new and used cars! 299 pounds of sausage equaled a used Ford.)

known to the members, was given a purse of over \$325.00, donated by members of the Club through a special "Ike Buyck" tournament.

A wonderful co-worker, Ike never says "no" to a request for help on any project around the club.

"An all-around good guy" members were happy to give this recognition to Ike which was long over-due.

President Bill Marx, who was Master of Ceremonies, presented the Purse to Ike, and introduced the guests, who included Buyck's wife, daughter, and son-in-law.

Earl Casey, former Ontario Supervisor, was introduced and spoke highly of Ike. Pete Moll was introduced. Both Casey and Moll are life members of the Ontario Golf Club.
